

HELIOS
MEDICAL COMMUNICATIONS

INTELLIGENT THINKING • CREATIVE SOLUTIONS • TRUSTED DELIVERY

Founded in 2015, we are a full-service independent, global medical communications consultancy operating from Cheshire and Oxfordshire

We're currently recruiting for scientifically-qualified individuals for entry-level Associate Medical Writer and Scientific Project Coordinator positions

We value strong scientific skills as well as energy, enthusiasm, drive, communication skills and a passion for detail in prospective candidates

EXPERIENCE

We offer a comprehensive induction programme including on-the-job mentoring and structured training for all new starters

TRAINING

Our staff at all levels travel the world to deliver medical communications programmes for our global clients

We strive to make Helios Medical Communications a great place to work...

...and deliver excellence in medical communications for our clients
